SUB WOOFERS

Sundown Audio subwoofers are all designed around a simple concept: to achieve the highest levels of output in the smallest enclosures possible. Nobody wants to use an enormous enclosure when they simply don't have to! If you want industry leading output and durability without an enormous enclosure then you have come to the right place!

Ev2 SERIES

Our least expensive woofer is anything but cheap.

500 Watts RMS

SD-2 SERIES SHALLOW MOUNT

Output and ruggedness in a shallow mount.

500 Watts RMS

SA SERIES

Quite simply one of the finest 600-watt subwoofers available on the market today.

600 Watts RMS

SUB WOOFERS
CONTINUED.....

X SERIES

Excel in high output DAILY low frequency applications.

1,250 Watts RMS

Zv3 SERIES

Our best selling "big boy" subwoofer ever made.

1,500 Watts RMS

Zv4 SERIES

An exceptional combination of low distortion and high output.

1,750 Watts RMS

NS v3 SERIES

If you want a loud subwoofer to use both daily and in the SPL lanes then look no further than the Sundown Audio Nightshade.

2,500 Watts RMS

SAZ-5000D 5000w RMS Mono Block

NS-1 v2 6500w RMS Mono Block

NEO-PRO

All of our products designed from the ground up to exceed all customer expectations. Our speaker lines are all engineered around low distortion and high output in a car environment.

The NeoPro V2 line is Sundown Audio's solution to the weak mid-bass produced by "Pro Sound" style speakers in a car door. The problem is most Pro style speakers are designed for ported boxes... but the NeoPro line was specifically engineered for car audio usage! The NeoPro speakers are well known for their smooth sound as well so they aren't just for getting loud.

6.5" NEO-PRO v2

8" NEO-PRO v2

10" NEO-PRO v2

SPEAKERS

SA-6.5

6.5" Component Set

Culminated by countless hours of design, engineering and testing, the Sundown Audio SA series components are a modern engineering marvel. Simple in design, but elaborate in quality, the entire SA series component system will present your music to you with elegance,

- ◆ Neo Magnet Structure
- ◆ Extremely Smooth Sound

WARRANTY

YOUR NEW SUNDOWN PRODUCT IS
COVERED BY A 2 YEAR LIMITED WARRANTY

AMPLIFIER WARRANTY

Your new Sundown Audio amplifier is covered by a 2 year limited warranty if purchased from an authorized Sundown Audio dealer. This warranty does not cover improper installation, accidental damage, misuse, abuse, improper wiring, operation of unit outside of listed specifications, or any product that has been modified or repaired by anyone other than Sundown Audio. This warranty is transferable provided the original invoice or receipt is still with the unit so that its new owner can prove date and place of purchase.

All warranty returns must be sent freight prepaid to Sundown Audio and be accompanied by the original sales invoice or receipt. For faster warranty service please contact us to request a return authorization code. At the sole discretion of Sundown Audio your amplifier will be either repaired or replaced.

If no defect is found and the unit must be shipped back the customer is responsible for return freight, if the unit is truly defective the replaced or repaired unit will be shipped back prepaid. In the event of shipping damage due to improper packaging of the return the customer is liable for the cost of all damages, necessary repairs, or replacement. Be sure to properly pack your return!

Sundown Audio also offers a 5 year guarantee to our customers for a discounted replacement unit. We are so certain of the quality of our equipment that even if you are at fault for causing damage to your amplifier we will offer you a new unit at a reduced cost compared to MSRP. Contact us via e-mail to take advantage of this offer, even though we doubt you will ever need to! This offer applies ONLY to the original purchaser of the unit and is not transferable like the 2 year limited warranty. As is the case with standard warranty claims the return MUST be sent prepaid and with a copy of the original invoice or receipt.

SUB WOOFER WARRANTY

Your new Sundown Audio subwoofer is covered by a 2 year limited warranty if purchased from an authorized Sundown Audio dealer. This warranty does not cover improper installation, accidental damage, misuse, abuse, improper wiring, operation of unit outside of listed specifications, or any product that has been modified or repaired by anyone other than Sundown Audio. This warranty does not cover burnt voice coils or other damage from too much power - re-cones for most products are available for sale in these cases. Warranty on subwoofers and loudspeakers is NOT transferrable.

All warranty returns must be sent freight prepaid to Sundown Audio and be accompanied by the original sales invoice or receipt. For faster warranty service please contact us to request a return authorization code. At the sole discretion of Sundown Audio your subwoofer will be either repaired or replaced.

If no defect is found and the unit must be shipped back the customer is responsible for return freight, if the unit is truly defective the replaced or repaired unit will be shipped back prepaid. In the event of shipping damage due to improper packaging of the return the customer is liable for the cost of all damages, necessary repairs, or replacement. Be sure to properly pack your return!
